indigenous sources of energy and to provide a supportive role to the sugarcane farmers, the Ministry of Petroleum and Natural Gas (MoP&NG) had introduced the scheme of mandatorily supplying 5% ethanol blended petrol in major sugar producing States and Contiguous Union Territories *w.e.f.* 1.1.2003. However, the programme could be implemented only in a staggered manner because ethanol was not available in a consistent manner and at reasonable prices. MoP&NG issued an amending Notification dated 27.10.2004 making sale of EBP mandatory in 10 States and 3 UTs if he price of sourcing indigenous ethanol for supply of ethanol-blended petrol is comparable to the price of indigenous ethanol for alternative uses; the delivery price of ethanol at the locations is comparable to the import parity price of petrol at that location; and the indigenous ethanol industry is able to maintain uninterrupted supply of ethanol for ethanol-blended petrol programme at such prices. as regards procurement price of ethanol, the Public Sector Oil Marketing Companies (OMCs) have been procuring ethanol through public tenders. While the delivered price of petrol and ethanol at mixing depots would vary from location to location and from time to time, it is not correct to state that ethanol price may be a fraction of petrol price. In fact that availability of ethanol at reasonable prices has been one of the constraints in smooth implementation of the programme so far.

Financial performance of oil companies

807. SHRIMATI HEMA MALINI: Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the profit earned or losses incurred by the Oil and Natural Gas companies under administrative control of the Ministry from 2001-02 to 2005-06, company-wise;

(b) the amount of duties/taxes paid to Government by the companies for the last five years from 2001-02 to 2005-06;

(c) the increase in profits as percentage to previous year and increase profits in rupees for all the five years; and

(d) the rate of return on the capital employed and earning per share for all the five years in each of these companies?

THE MINISTER OF STATE IN THE MINISTRY OF PETROLEUM AND NATURAL GAS (SHRI DINSHA J. PATEL): (a) The profit earned or losses incurred by the Oil and Natural Gas companies under

administrative control of the Ministry from 2001-02 to 2005-06, company-wise are given in the enclosed Statement-I (*See* below).

(b) The Central taxes/duties, dividend etc. paid by public sector oil companies to Government from 2001-02 to 2005-06 is as under:

Year	Amount (Rs./crores)
2001-02	43515
2002-03	60356
2003-04	65259
2004-05	70734
2005-06	74120

(c) The increase in profits as percentage to previous year and for all the five years are given in the enclosed Statement-II (*See* below).

(d) The rate of return on the capital employed and earning per share for all the five years are given in the enclosed Statement-III (*See* below).

Statement-I

The profit earned or losses incurred by the Oil and Natural Gas companies under administrative control of the Ministry from 2001-02 *to* 2005-06, *company-wise are given below:*
